DAY-6

**AWARNESS ON SELF
EMPLOYABILITY SCHEMES**

(29th MAR-2022)

Brief Report on Day-6, i.e., 29th Mar-2022

Awareness on self employability scheme

STARTING YOUR OWN SMALL BUSINESS TODAY ON THE CHEAP OF course the conventional wisdom is that when you don't have a ton cash hand, or an existing employment situation from which you might transition to full-time freelancing, starting a business is tough. That's true-if you the wrong sort of business.

The fact is, it is not nearly as tough if you do it right.

What do I mean by that? one way to succeed right is to start an inexpensive part -time, home-based business. So here our government has implemented a scheme called" ROODSET".

Awareness on self employment and ideas to people and spent a lot of time with them and said how to apply for the" ROODSET" and told them how to learn the course which they have interest. The response was very good and we encouraged them by explaining the process clearly.

These are courses which belong to girls:

Name of the course	Duration of the course
Tailoring	21 days
Embroidery & fabric painting	18 days
Padi parishrama	6 days
Computer (D.T.P)	45 days
Beautician	30days

Women Learning Tailoring

Cooking

The ROODSET will provide a various Facilities like

1. free training
2. free accommodation
3. free service of good
4. separate training for Men and Women

We also explained about the eligibility in order to apply for” ROODSET”.

1. The person should belong to local area
2. Minimum eligibility for boys is 7th class and for girls is 5th class
3. They must be capable to read and write Telugu

We gave application for the people who are interested for Doing the courses they gave them spirit that they can earn money by doing the jobs in their homes. There are many studied people in the village without jobs, by this “ROODSET” they can apply for that and they can join and they can learn the course in which they are interested. So, by this they can start a job in their results every individual will have an interest that they can learn something and can earn money.

We have the confidence that every people in this village can apply for the scheme and will complete the course successfully and can lead their lives happily without any financial problem.

By this we can change the village people and by this NSS program arranged by JNTU for every Engineering college will be very helpful for the villages.

And finally, we are very proud to be a member in NSS (National service scheme) Hope the service should be very helpful to the people.

Thanking You

DAY-6

**AWARNESS ON NOT TO
USE PLASTIC**

(30th MAR - 2022)

Brief Report on Day-6, i.e., 30th Mar-2022

On Day-6, i.e., 30th Mar-2022, we have conducted an “Awareness program Not use Plastic” in this regards we explained how the plastic damages the natural atmospheric resources and spoils the environment & human health by global warming through more usage of plastic. So to protect the environment we have given slogan “ Avoid the usage of plastic & save the nature” for Government school students and peoples of Venkatampalli village, Nrapal Mandal.

CONTRIBUTION OF NSS STUDENTS TO THE GOVERNMENT SCHOOL

NSS volunteers came up with thought provoking idea in favour of the students of Venkatampalli, Narpal Mandal to provide photo frames of Patriotic national leaders, Wall charts, Chairs, basic things (i.e., pen, pencil, sharpener, eraser, scale) for the school children. This shows humanity and service towards the society, which reflects the main motto of NSS “**NOT ME BUT YOU**”.

For implementing this thought by NSS volunteers, it made everyone to feel happy and proud of being member of NSS. Students of Government Primary School and all are expressed their happiness, gratitude and appreciation to NSS team. They said that their support will be there at any time to NSS camps and wished to continue this type of awareness camps in their villages in future for their welfare. NSS Program officer, SRIT Principal, Management and every one of SRIT appreciated volunteers for making this event a successful with proper planning
